Want more than a standard product photography shot?

Sometimes you might want a more complex or sophisticated product photography image to really stand out from your competition and so we offer a range of options that will enhance the look of your product photography..

Product photography options

Group product photography

Product + packaging	\$28/image
Up to 3 small products or items	\$36/image
Up to 6 small products or items	\$48/image
Large or 7+ products	Contact PPP

To show off a complete range or a set of items, choose the group product photography option. The products will be arranged in an attractive fashion that displays them beautifully.

Additional post-processing

Deep etching or additional clean-up	\$60/hour
Graphic design/modification	\$80/hour

If your product needs to be etched out of a complex background or if it needs additional clean-up (to mask damage for example), then additional post-processing is available. We can also add graphics or text.

Product reflections and shadows

Product reflection	From 30% extra
Product shadow	From 30% extra

Reflections or shadows can often produce a more pleasing image, and so we are happy to offer this as an optional extra.

Clothing and fashion photography

Flat lay	From \$32/image
Model shoots	Contact PPP

We can shoot your clothing range in whatever style you need - from a simple flat-lay shot to a themed fashion shoot.

Jewellery photography

Jewellery photography	From \$32/image
-----------------------	-----------------

Pristine Product Photography are your local experts at jewellery photography and will really bring out the sparkle in the pieces.

Express service

Within 5 days	30% extra
Within 2 days	50% extra

Sometimes you need things in a hurry and we'll do our best to help! This service is available only at the discretion of Pristine Product Photography and express service availability cannot be guaranteed.

All prices are a guide only and the exact price will depend on the nature of the product and the shot required. Pristine Product Photography cannot guarantee that all product photography options will be available for all products. Please get in touch with Pristine Product Photography to discuss your product photography images and to receive an estimate for the cost of photography and/or manipulation of images.
